

Sanitize Anywhere, Anytime.

Air Guard AG-20 - Sanitize Anywhere, Anytime.

Need to sanitize against harmful germs and bacteria when no power is available? Then the Air Guard AG-20 is the answer.

The first of its kind under the Air Guard Series, the AG-20 is a compact, durable sanitizer powered by a rechargeable battery. The powerful rechargeable battery allows the AG-20 to sanitize small and medium size areas virtually anywhere, making the unit perfect for quick and easy sanitizing of tents, cars, buses, boats, planes, office spaces... and so on. The AG-20 also features a unique heating element that requires no warm-up time, a built-in timer with 9 presets, and a wireless remote control.

Protect your loved ones, employees, customers, and students from invisible and harmful bacteria & germs by using the AG-20 with either the FLD or FLE Air Guard Antibacterial Solution.
